

Webdirexion Winning Marketing Strategy

Strategy first. There are too many vendors who bring tactics in search of strategy. Our digital marketing team is an experienced crew of specialists who use fundamental marketing principles to help you win the race.

We start all our projects with the goal of gathering qualified leads in mind. From custom WordPress web development projects to working with your team on an annual campaign basis, we're looking for targeted, qualified leads via R.A.C.E.

Reach. Act. Convert. Engage. -->

Our Niche Focus Areas: B2C Travel (Hotels), B2B Healthcare, Financial Services, Publishing & Law Firms.

NEW service (ask for review of all R.A.C.E. Services) - **WordPress + Facebook Push Campaign:** 4 blog marketing articles, on-site SEO, boost categories, PLUS Facebook advertising campaign (Four ad sets, eight creatives, multiple creative tests), plus push posts to social media. **\$899 mo.** (6 months)
