

➔ Webdirexion Digital Marketing Grows Sales

Comprehensive Solution: We can increase leads and sales by 50% to 100% in 12 - 18 months. We optimize and extend reach in the foundation phase, promote smartly in Surge phase 1, then focus on Conversions in Surge phase 2.

Smart Strategy: We apply "R.A.C.E." strategy – Reach, Act, Convert, Engage – to your campaigns.

Surge Power Package: Combine smart sales funnels with split testing and content marketing for the ultimate ROI in marketing results. Great for B2B clients in Healthcare (a specialty niche).

Webdirexion LLC is a digital marketing agency focused on smart strategies and tactics to develop leads and grow your business. We're an experienced reseller and developer with WordPress, MailChimp, Elegant Themes, SEMrush, OnePageCRM.

Over the years we've developed a comprehensive strategy based on content marketing; smart ads; sales funnels; and split testing:

- Custom built WordPress sites based on smart content strategy. Includes built in technology for split testing.
- Split testing and CRO – Conversion Rate Optimization – to increase leads and sales at your website.
- Optimal eCommerce solutions on the WooCommerce platform
- Content publishing team produces articles optimized for SEO and written to engage your target market.
- Smart sales funnel campaigns: advertise to qualified prospects, convert site visitors to leads and customers, follow with smart email lead nurturing campaigns.
